Registration Deadline:

5/15/18 @ 5 PM

Our last meeting before taking a break for the summer months is here.

Join us for a tour of the new parking structure at Froedtert conducted by Steve Awve of C.G. Schmidt, Inc. There are several different aspects of concrete construction being used on this project that will be on display.

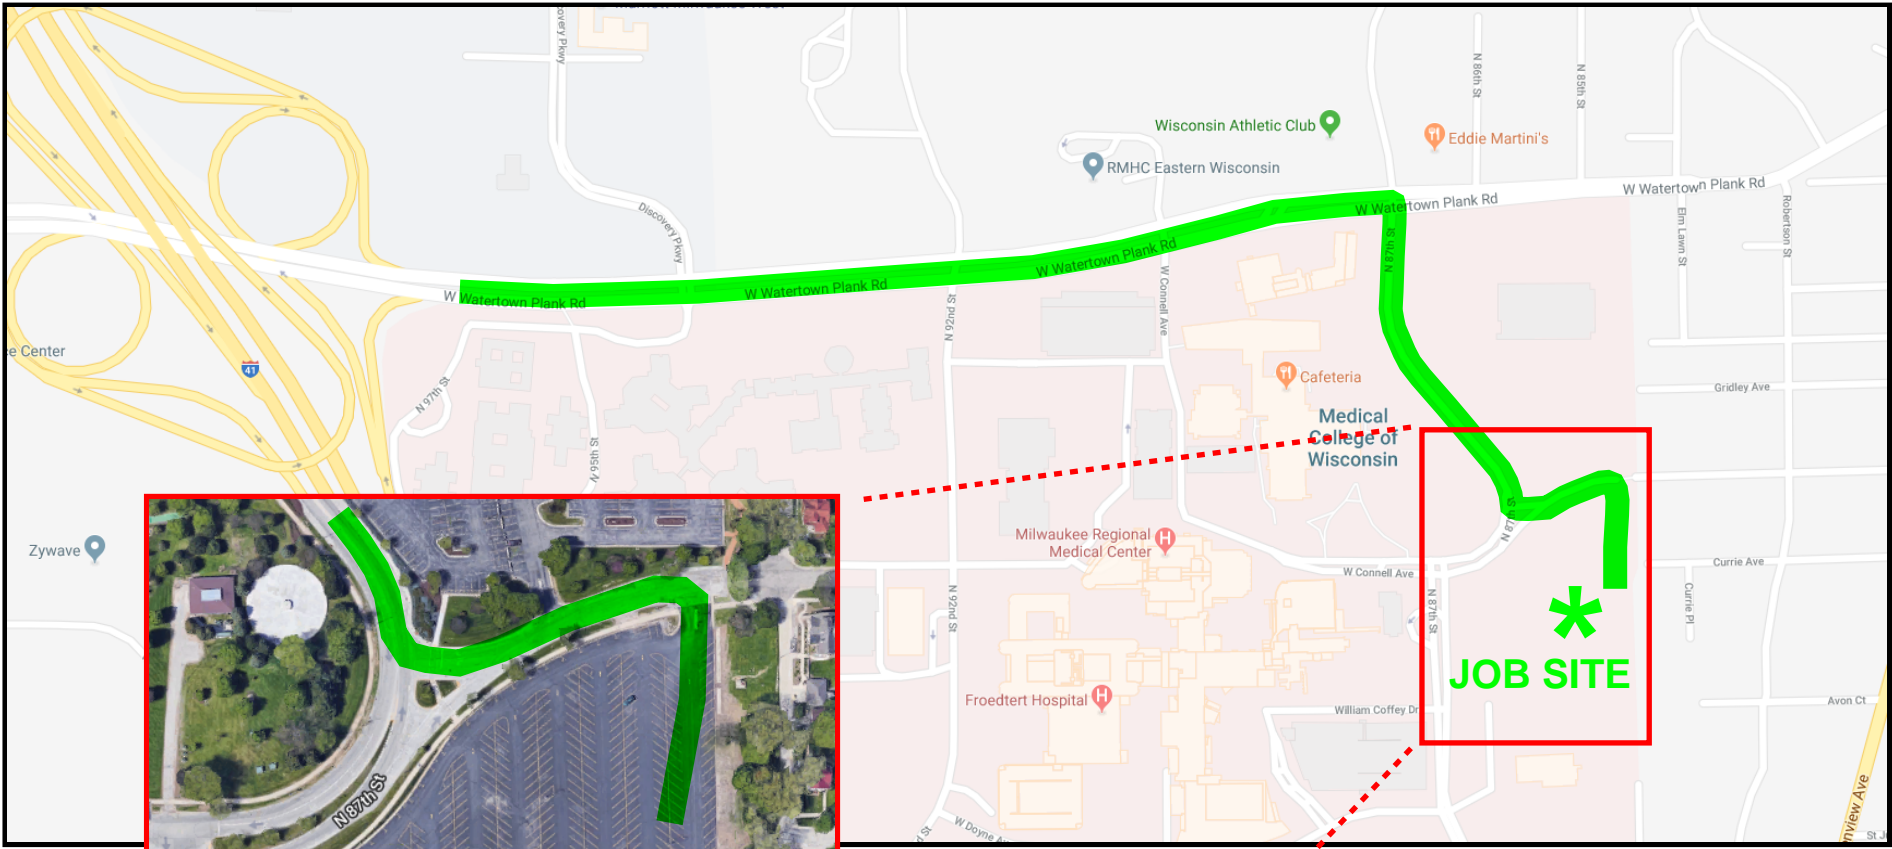

The site is still under construction, so be sure to bring safety glasses (with side shields), hard hat, and safety vest. You will also be required to sign a visitor release form.

After the tour, we will be meeting for dinner at Hoyt Park. Food will be catered by the Smoke Shack.

Maps to the project site and to Hoyt Park are attached.

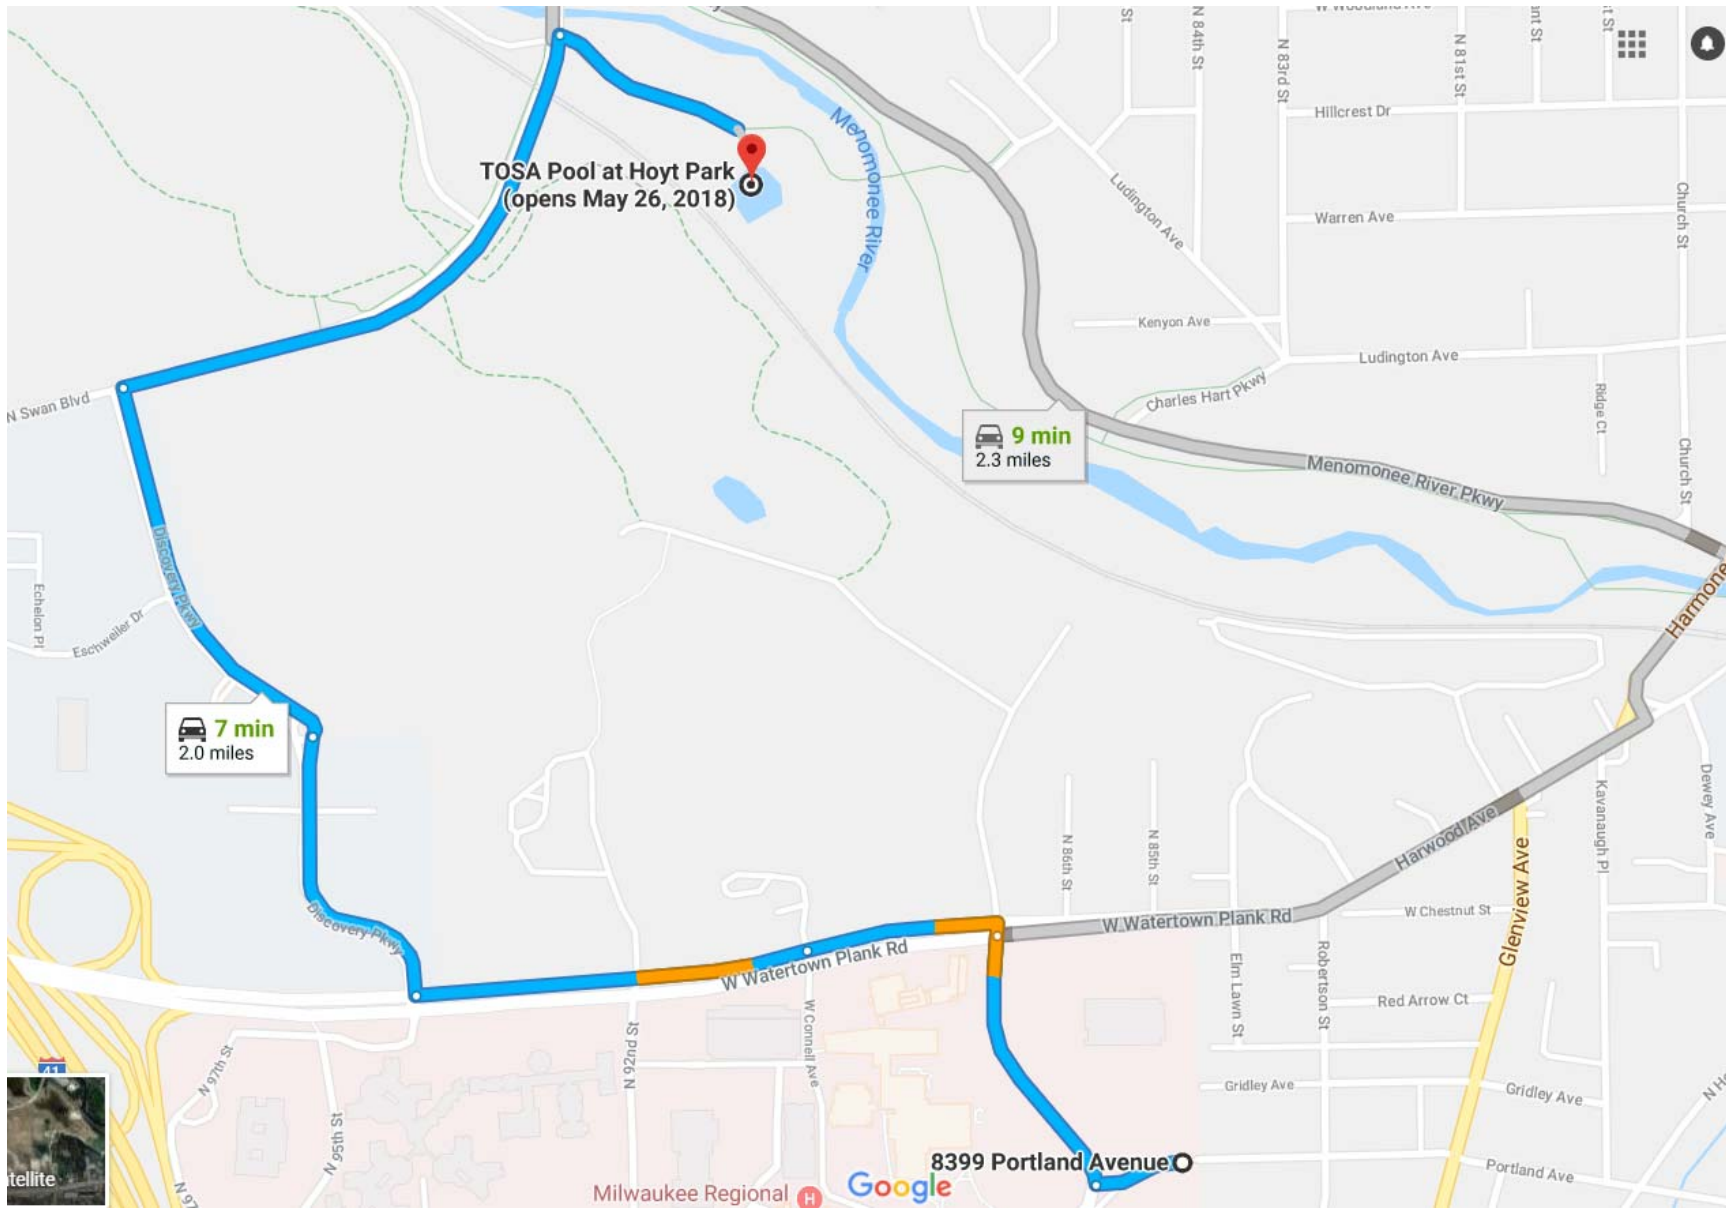

# DELIVERY ROUTE
